

Friends,

The 5th annual Ryan Scott Kappes Foundation Wine Tasting and Auction will be held on Saturday September 11, 2010, at Bear Trap Dunes Golf Course in Ocean View DE. The mission of the RSK Foundation is to provide financial assistance to families of critically ill children so that the family can remain together during extended hospitalizations. In a little over four years the RSK Foundation has helped over 75 families from all around the country, but primarily from the Mid-Atlantic region.

This year's wine tasting will feature over 100 wines including Dominus, Silver Oak, and Far Niente; great food; live entertainment; door prizes; and more. Tickets are \$50 per person and can be purchased at Beach Liquors in Bethany Beach, or by contacting me directly.

In addition to your attendance at the event, we are seeking auction items and/or sponsorship. In the past we have been very successful auctioning off rounds of golf, restaurant gift certificates, sporting event tickets, vacation rentals, etc. These donations are tax deductible since the RSK Foundation is a 501-C-3 charitable corporation. Thank you for your consideration and continued support.
